

BRANCHING COMMUNITIES TOGETHER THROUGH SUSTAINABILITY

CALENDAR OF EVENTS SEPTEMBER 8-14, 2024

SUNDAY, SEPTEMBER 8

Autumn Immunity Fusion: Herb Garden Tour & Elderberry Syrup Workshop

Rabbit Hole Farm Newark, 36-38 Rose Terr.

12 PM - 2 PM

Join Rabbit Hole Farm and community herbalist Yaquana Williams for an immersive herbalism workshop designed to empower you with the knowledge and tools to strengthen your immune system. This engaging event will kick off with a guided garden tour where you'll explore a diverse range of herbs renowned for their immune-boosting properties.

Following the tour, roll up your sleeves for a hands-on session where you'll craft your own elderberry syrup or medicinal cider, guided by Yaquana Williams.

Healing Garden Workshop and Farmer's Market / "Educator, Gardner, and Chef" demo workshop with Chef Charlene!

The Healing Garden at the Price Institute at Rutgers Newark 49 Bleeker St.

1:30 PM - 3:30 PM

Healing Garden gardener and local businesswoman Chef Charlene Messer will be talking about how she became involved in urban agriculture. She will share her thoughts on her work in relation to education, gardening and the business life of a chef in the community!

Chef Charlene will also present a cooking demonstration for guests for her "Kale Salad with Lavender Vinaigrette" prepared with produce from the Healing Garden.

We will also learn about the ingredients that Chef Charlene will be using in her recipes and about healthy diets with collaborator AARP. AARP will also sponsor a raffle during the workshop to win prizes toward food purchases at the Urban Agriculture Cooperative's online market <https://urbanagcoop.market/>

This is part of the Greater Newark Sustainable Farming Practices and Local Entrepreneurship Program. This material is based upon work supported by the National Institute of Food and Agriculture, U.S. Department of Agriculture, through the Northeast Sustainable Agriculture Research and Education program under subaward number ENE22-174.
